**Northwest Actors Lab presents “An Evening of New Works”
Staged readings of Short Plays by Local Playwrights
Friday, April 29 @ 7:30 – 9:00 p.m.
At Bainbridge Performing Arts (BPA)**

“An Evening of New Works” emerged as a collaboration between actors and writers living and working on Bainbridge Island. Each of the entertaining plays is approximately ten minutes in length. Most are comedies and none have ever been performed.

The plays are still “works in progress” and are presented as staged readings, meaning that the actors will move about the stage but with scripts in hand. As this is a fluid process with writers, actors and director working together, the writers have the opportunity and freedom to re-write their material all the way up to the night of the performance.

Eventually, some of the pieces may end up developing into full length plays, while others will remain short one-acts. For audiences this is a rare and wonderful first-hand opportunity to see the process of creating live theater.

Featured authors include Lynn Brunelle, Jenna Clark, Rustin Dozeman, Dinah Manoff, Warren Read, Dura Temple, and Wendy Wallace. The readings are directed and edited by Dinah Manoff and Renee Longstreet. The cast includes Michelle Allen, Jim Anderson, Lori Anderson, Marybeth Borgwart, Christie Capps, Robert Craighead, Tim Davidson, Tracey Dickerson, Todd Erler, Kris Hughes-Tibbs, Cynthia Lair, Corinna Munter, Arthur Mortell, Warren Read, Bhama Roget, Shannon Sheehan, and Sue Ellen Van Duyne.

Northwest Actors Lab presents “An Evening of New Works” one night only on Friday, April 29 at 7:30 p.m. Admission includes a \$10 suggested donation, and all proceeds will benefit Helpline House. Held at Bainbridge Performing Arts, 200 Madison Avenue North, Bainbridge Island, the performance is suitable for “PG” audiences.

BPA is supported, in part, by the **Bainbridge Island Arts & Humanities Council**, the **City of Bainbridge Island**, and **One Call for All**.
