**BPA August Gallery: “Plastic is Forever”
Found plastics from local beaches and watersheds
Join us for First Fridays Art Walk August 5 @ 5:00 – 7:00 p.m.**

Join us in the BPA Gallery for First Fridays Art Walk on August 5 and see an arresting display of found plastics from local beaches and watersheds. The exhibit features art made from a colorful, fascinating, and troublesome assemblage of refuse found on local beaches. *Plastic is Forever* hopes to illustrate, through art and film projects, the simple truths about plastic: It is not bio-degradable, less than 4% of it is recycled, and we must find solutions to the problem of plastic debris in our local waters, lest our future beach-scapes, aquatic food sources, and marine wildlife be tainted forever.

Some of the work in this exhibit is being made by the 7th and 8th grade multiage class Odyssey students as part of a pilot program to bring *Plastic is Forever* to local schools. Learn more about *Plastic is Forever* online at the Bainbridge Watershed Council, www.biwatershedcouncil.org/plastic-is-forever.html.

Meet the artists, and join us in the BPA Gallery for First Fridays Art Walk from 5:00 – 7:00 p.m. on August 5 for a fun evening of art, food, and friends. Admission is free at 200 Madison Avenue North, Bainbridge Island.

BPA is supported, in part, by the **Arts & Humanities Council** and **One Call for All**.

Find out more about BPA at www.bainbridgeperformingarts.org. Check online for the latest on theatre and symphony auditions, complete theatre school and adult class offerings, performance listings, tickets, cast lists, video promos, posters, press, and more. Click on “Join Mailing List” to receive electronic performance announcements and behind-the-scenes news.
