Bainbridge Performing Arts (BPA) presents The EDGE Improv Saturday, January 8 @ 7:30 p.m.

Kick off the New Year with laughs, and join The EDGE for an ingeniously improvised evening of on-the-spot comedy. For more than sixteen years, the troupe's riotous antics have inspired rave reviews from audience members. Troupe member Ken Ballenger says, "For me, improvisation provides magical fleeting moments of brilliance or insanity, never again to be witnessed. It is like a shooting star moment. You can't create it again and you have to be there to feel it."

Those who have never been to an Improv show before will realize right away that nothing The EDGE does is scripted and that the members are literally making it up as they go along. With no pre-conceived notions for dialogue, plot, situation, characters, etc., the troupe works spontaneously with material from audience members.

The EDGE members look forward to entertaining for a long time to come and aspire to give viewers "something wonderful, right away!"
