Bainbridge Performing Arts (BPA) Announces Appointment of Assistant Technical Director Sonia Pasqual

Bainbridge Performing Arts is pleased to welcome **Sonia Pasqual**, who joins BPA's dynamic production team as Assistant Technical Director this month. With 18 years in the theater, Sonia arrives at BPA with a broad array of skills and an eagerness to join the Bainbridge community. She's served as Production Planner and Lighting Designer for Walt Disney World Entertainment, designed lights for more than 80 live show productions on the East coast, and brought more than 300 projects from concept to completion. She recently relocated from Orlando, Florida where she taught for four years at Valencia College.

Sonia's technical experience is paired with a deep capacity for listening and grasping the vision of each director. Together, these qualities inform her abilities to enhance any space, allowing expressive thought and concepts to flourish in each production. Enthusiastic about Sonia's appointment, BPA Executive Director **Dominique Cantwell** says, "She brings wonderful energy and creativity to the team at BPA. Her broad skill set is a perfect fit for the theater and for Bainbridge – I think we can all expect to see great things on stage this season!"

BPA has been entertaining Bainbridge Island and beyond for over 55 years, and the 2011-2012 season is full of exciting surprises, vibrant performances, and new beginnings. Spectacular sights and sounds fill the stage each month with BPA Productions of Tony Award winning plays, beautifully crafted music performances from the Bainbridge Symphony Orchestra and Chamber Music Concerts, uplifting comedy from The EDGE Improv, innovative Theatre School classes and productions for Pre-K/K – 12th graders, advanced theatrical training for adults, and community-inspired co-productions that bring the artistic heart of Bainbridge onto the BPA stage.

BPA is supported, in part, by the **Arts & Humanities Council** and **One Call for All**.
